Dear Mr. Degelman,

Timmons Group is pleased to provide our bid and estimates for the Forested Windbreak Mapping in the Panhandle of Texas scope of work (SOW). We have included the required information below comprising the GSA position title(s), estimated hours for project completion for all assigned personnel, and the cost per hour per position. Pricing is based using rates defined in the terms and conditions of Timmons Group's GSA contract GS-35F-0462T.

Resource Category	Rate (GSA)	Hours	Subtotal
GIS Analyst	\$81.61	24	\$1,958.64
GIS Technician	\$50.78	120	\$6,093.60
Total			\$8,052.24

Sincerely,

Chris Gerecke

Hi Alan –

Please find the requested quotation attached to this email. I'm happy to provide it in an alternative format if needed. The estimates are based on assumptions of using an existing map service and we anticipate completion in four weeks from notice to proceed. If there are any questions please don't hesitate to reach out. We invite the opportunity to discuss these estimates and any assumptions TFS might have that might affect them.

Thanks,

Chris

Subject: Request for Quotation

Attention Prospective Vendor:

You are receiving this request for quotation because you have expressed an interest in doing business with the Texas A&M Forest Service.

We're looking for a qualified vendor to be able to perform the requested duties included in the attached document. This project will be awarded to the vendor with the best hourly pricing and lowest hours for completion (ultimately resulting in the lowest overall cost). Responses should be based on the pricing, terms and conditions of vendors existing awarded applicable GSA contract.
