3.1 Proposal Selection

- 3.1.1 Selection of the successful proposal in response to this RFP will be made using the competitive sealed proposal process. The selection of the successful proposal may be made by TFS on the basis of the proposals initially submitted, without discussion, clarification, or modification. Alternatively, selection of the successful proposal may be made by TFS on the basis of negotiation with any of the proposers. TFS shall not disclose any information derived from the proposals submitted by competing proposers in conducting such discussions.
- 3.1.2 At TFS' sole option and discretion, TFS may discuss and negotiate all elements of the proposals submitted by selected proposers within a specific competitive range.
