¹ A sale of an article to a State or local government for resale is not considered to be a sale for the "exclusive use" of the State or local government, within the meaning of section 4221(a)(4) of the code, and, therefore, such sales may not be made tax-free. Such sales may not be made tax-free even if the resales are made to government employees, or the article is an item of equipment the employee is required to possess in carrying out his duties.
